

The AISC Seminar *Practical Connections for Economical Steel Structures* is coming to Honolulu! This seminar is sponsored by the Steel Industry of Hawaii Improvement Fund.

AISC, in conjunction with the Structural Engineers Association of Hawaii, and with sponsorship by the Steel Industry of Hawaii Improvement Fund, brings you this practice-oriented seminar that focuses on what you need to know to design and evaluate the connections required for your projects with the efficient use of the 13th Edition AISC *Steel Construction Manual*. You will learn the appropriate limit states for common connections, how the load path progresses through the elements of these connections, and how to simplify the design and review of these connections in your practice. You will also understand how to apply the principles learned for common connections to more complex connections.

Did you know...

...that this seminar is being offered at a significantly discounted price? Thanks to the sponsorship by the Steel Industry of Hawaii Improvement Fund, the AISC Practical Connections seminar is being offered in Honolulu for only \$120. This price is well below the AISC member and non-member prices. Take advantage of this low cost opportunity and register today!

Date/Location

Tuesday November 10, 2009

Pagoda Hotel

1525 Rycroft Street

Honolulu, HI 96814

(808) 941-6611

Time: 8am - 5pm (sign-in starts at 7:30am). Breakfast refreshments, lunch and afternoon refreshments will be provided. Upon completion of the seminar, each attendee will be issued a Continuing Education Certificate from AISC for 0.8 CEUs / 8.0 PDHs.

Speakers and Co-Authors: William Thornton, Ph.D., P.E., Corporate Consultant to Cives Corporation of Roswell, Georgia; Head of Structural Steel and Consulting Services, a division of Charles H. Thornton and Co. Larry S. Muir, P.E., connection design consultant, former chief engineer of Cives Corporation.

Handouts: Each attendee will receive a copy of the Seminar course notes along with a CD containing materials referenced in the seminar.

Registration: Go to <http://www.wynjade.com/aiscfall09> to register immediately online, or to download a printable registration page. **PLEASE NOTE: if you are paying by check,** please notify Brent Leu (leu@aisc.org) once you have submitted registration. For more information on this seminar, go to www.aisc.org/seminars.

Please email leu@aisc.org with any questions.

Best regards,

Brent Leu, P.E.
